TUCK'S POST CARD

Chelsea Hospital is a handsome building built and designed by Wren for Charles II. — some say at the instigation of pretty Nell Gwynne — for the sheltering of our hard fought soldiers. It is occupied by 540 prisoners for whom a grateful country provides board and lodging under a roof where they can end their days in peace, "forgetting their battles over again."

Dearest W. I have been so
 happy to hear from you
 and to see you were in
 London. I had a lovely time
 one trying you had a lovely time
 could not be better. I hope
 I have all to our family well
 expect you have returned
 can you come over to see me
 day next week. I have
 can't change as a day but
 suit me best but will be
 to stay so long with you all
 ever yours
 W.
